lanakilapacific.org/produce-delivery

The Green Bag provides fresh local produce weekly for subscribers and is available for pick-up and island-wide delivery on Oahu. Call 808-356-8519.

NO DISCOUNT LIMIT!*

*Effective September 1, 2021, the DA BUX program is offering a full 50% discount on SNAP-EBT purchases of qualifying local produce with no maximum discount limit. An unlimited discount on qualifying purchases will be offered while program funds are available. DA BUX continues to restrict shoppers to one discount per day per SNAP-EBT card, and retailers may set discount limits on specific produce items.

How To Use Your DA BUX Access Card

Step 1: Shop for Qualifying Items

Your DA BUX Access Card will only work at a participating DA BUX grocery store. On Oahu, the participating grocery stores are Foodland (**Ewa Beach, Wahiawa, Pupukeya & Laie store locations only**), Times Supermarkets (**all store locations**), Waianae Store, Nanakuli Super and Shima's Supermarket. Shop for qualifying fruits and vegetables grown in Hawai'i at these locations. Qualifying items are marked with the DA BUX logo on or near the price signage.

Step 2: Give Your DA BUX Access Card and SNAP-EBT Card To The Cashier

At the start of checkout, BEFORE your items are scanned, please give your DA BUX Access Card and SNAP-EBT card to the cashier.

Step 3: Cashier Scans DA BUX Access Card

The cashier scans your DA BUX Access Card to take 50% off qualifying purchases (only one discount can be issued per day per SNAP-EBT card and can only be applied at the time of your qualifying purchase).

Step 4: Swipe SNAP-EBT Card

Swipe your SNAP-EBT card to pay for your purchases (a minimum of 1 cent of SNAP-EBT must be used to receive a discount; other payment methods can be used to pay for the remaining balance).

DA BUX is a program of The Food Basket in partnership with the Hawai'i Good Food Alliance. This work is supported by the Gus Schumacher Nutrition Incentive Program grant no. 2021-70030-35786 & 2021-70034-35360 / project accession no. 1027314 & 1027062 from the USDA National Institute of Food and Agriculture.
